

T-shirts reworked

creative unique resourceful

mindful original storyful thoughtful

At no time in history has clothing been so plentiful. This has led to a culture of waste. The greenest clothes are those that already exist. We can reuse what we have, instead of dumping it.

Using hand-sewing skills, creativity and time, we can repurpose existing unclaimed clothing into other stuff.

This T-shirts Reworked session will get you thinking about how you upcycle cotton T-shirts you aren't wearing into something else.

Benefits of upcycling

- Discover making and hand-sewing skills
- Explore your creativity and unique style
- Be productive and improve wellbeing
- Reduce textile waste

Date Wednesday 1 July, 2015

Time 10am to 3pm

Venue Caneland Central,
Mangrove Rd & Victoria St ,Mackay

Details

This is a free event. Come along and play with reject/unused T-shirts (preferably cotton). We will show you how to use scissors and creativity to upcycle them

1. Create continuous T-shirt ribbon and a little pouch to store it in
2. Make eco-shopping bags
3. Flip T-shirts upside down into a comfy eco-skirt
4. Plait an eco-braid or crochet a trivet using the T-shirt ribbon
5. Refashion t-shirt with scissors
